- In Visualization view, **extensively worked in Slicer, Charts, Button, Cards, KPIs and Maps**.
- According to Business Requirement, Establishing cloud Server Connection Between Hive Server and Power BI Service. **Setup the Daily Refresh in power BI service and Monitering Daily**.

SKILLSET

SKILL| SQL, Power BI, Postgres, Dax queries, Hive, BOBJ Universe.
MISCELLANEOUS| Wintel, Java, Azure DevOps, Python.
SOFT SKILL | Problem solving, Adaptability, Teamwork, Creativity.

PROJECT

Auto Works Dashboard | Front End: Power BI| Back End: Power Query.

Cleaning and checking the data in power query editor. Checking the data type of the whole column and removing blank and duplicates of the primary key column. Used relationship such as star and snowflake Schema in the Model View. Joining the Table with one-to-many Relationship. In Data View Performing Calculation using Dax query such as Calculate Function, Relate function, Count x Function and So on. In visualization Tab, extensively worked in Slicer, Charts, Button, Cards, KPIs and Maps.

CERTIFICATION

Honor Diploma in Computer Application-CSC with Excellence of 'A' Grade.

Data Science foundations: Fundamentals -LinkedIn Learning.

Data analysis with pandas and python-Udemy Learning

Microsoft Power BI Desktop for Business Intelligence- Udemy Learning

The complete SQL Masterclass -Udemy Learning

Education

ST JOEPH'S COLLEGE OF ENGINEERING CHENNAI
B.E-Mechanical Engineering
|July2021|Chennai, India

CGPA:8.54/10

VELAMMAL MATRICULATION HIGHER SECONDARY SCHOOL PANCHETTI

May2017|Ponneri, Chennai, India.

Percentage:91.08/100

AWARDS & ACHIECVMENT

SJCE

Entrepreneurship Development president (2020)

Robotics

Intensively made wireless bot with Arduino IDE to make it work automatically won and secured 2nd place in MIT National level events

Awards

Star of the Month, On the Spot award, Best Team Award.

LANGUAGE

English, Tamil, Telugu

Hobbies

Cube Solving, Cricket, kabaddi, Gardening.

INTEREST

Data science, Generative AI
